In Clerk Robertson's Office.

Yesterday in Clerk Robertson's office
the following transfers of real estate
were recorded:
Deed made March 4, 1897, by J. D.
Elson, special commissioner, to Theresa
Shaffer; consideration \$200; transferring
part of lot 71 in East Wheeling.
Deed made April 7, 1897, by J. Ernest
Strehn and wife to John Strehn; con-
sideration \$5; transferring property on
the National road.
Deed made April 7, 1897, by Aaron
Porter and wife to D. R. Meighen, of
Littleton; consideration \$800; transferring
one-half interest in lots 9 and 10 in
Caldwell's addition to Wheeling.
Deed made April 7, 1897, by Ernest
Strehn and wife to Charles A. Strehn;
consideration \$500; transferring property
on the National road.

Attorneys in a Squabble.

The squabble between Attorneys J.
D. Elson and J. E. W. McCulley, relative
to possession of the office now oc-
cupied by the former, which was partly
ventilated in a justice shop a short time
ago, is on again.
Mr. J. A. Henry is the agent of the
property which is on "lawyer's row,"
that part of Chapline street opposite
the city building. It is claimed by Mc-
Culley that the property was leased to
him by Henry; the lease dating from
April 1. So far Elson has failed to wa-
nte, a proceeding desired by McCulley,
and yesterday McCulley tried to get in.
A notice has been posted on the door
by Elson, warning trespassers to keep
away, and last night Elson had war-
rants sworn out for McCulley, if he at-
tempted to take possession. To further
enliven the proceedings, McCulley had
similar warrants sworn out for Elson.

Encouraging Report.

The report of the Sunday school of the
Third Presbyterian church for the past
year is very encouraging, and shows the
school to be in a more flourishing con-
dition than in any one year of its history.
The total enrollment is 450; total
attendance during the year, 15,300,
an increase of 2,500 over 1895-6; the year
began with a small deficit and closed
with a small surplus in the treasury.
The surplus will be used to make re-
pairs and beautify the interior of the
Sunday school rooms. The report in
detail has just been completed, and re-
fects credit upon the pastor, Rev. J.
L. Higger, and the superintendent, Mr.
Isadore Fulton, a man of rare ability,
and who has been superintendent of the
Sunday school for fourteen years, and to
whom is due the credit of building up
the school. Mr. Fulton has been re-
lected to serve as superintendent for
the ensuing year. Secretary Number, a
painsstaking officer, and others associated
in the work, also deserve credit for
the systematic growth of the school.

SALVATION OIL should always be
kept in the kitchen. For the ready cure
of scalds and burns it has no equal.

EATON'S HEARING.

The Chicago Man Will Make a
Fight for His Freedom.

LOTS OF MONEY IS BEHIND HIM

In His Struggle, and the State will Not
Have an Easy Road to Travel—It is Al-
leged, However, that the Prosecution
Has a Strong Case—Parties in Chicago
will Stand at Eaton's Back—Attorneys
in the Case.

This afternoon at 2 o'clock the hear-
ing of William Eaton, the "manufac-
turer's agent" accused of having his
stock of goods in the Turner building,
on Main street, set on fire, will take
place, and no doubt there will be a
large number of interested spectators,
for the effort to solve the mystery of
the Turner building fire has interested
the entire Wheeling public. The hearing
will be before Squire Fitzpatrick, and
will probably occur in the criminal
court room, in the court house, or in
the jail office.

Eaton has friends, Chicago men, who
are well provided with the money nec-
essary to make a strong fight against
the conviction of their man. A Chicago
attorney, Hillis, is here, and has en-
gaged local legal talent to assist him in
defending Eaton. It is not known who
are the parties backing Eaton, but that
he is well backed there is no doubt.
The state's case will be handled by
Acting Prosecuting Attorneys Frank W.
Nesbitt and J. B. Somerville. It is un-
derstood the Chicago people backing
Eaton have engaged ex-City Solicitor
Sam. Boyce to care for their man's
interests.

TRAIN JUMPERS ARRESTED

By Special Officer Short at Elm Grove.
Their Hearings.

The Baltimore & Ohio railroad con-
tinues its efforts to prevent trespassing
on its trains, and advantage will be taken
of the law passed by the late legis-
lature, relating to persons trespassing
on trains within this state.

Special Officer John Short has been
very active in this respect, arresting
trespassers on all divisions of the Bal-
timore & Ohio. He has had some of
them up for trial at Benwood, and dur-
ing the past week has brought several
trespassers into the local justice shops.
His plan is to get in the caboose, as the
train pulls out from the city and after
a goodly number of "hobos" have climb-
ed aboard, order the engineer to stop
the train and make his arrest. Several
victims of his vigilance appeared be-
fore Squire Fitzpatrick last week, and
yesterday afternoon Officer Short walk-
ed into the court room with another
batch. There were five of them, claim-
ing to be barbers going to Pittsburgh
for work, but preferred taking a free
ride there. They were well dressed,
and live near the city, one coming from
Martin's Ferry, and one from Mounds-
ville. Their names are Dave Alexander,
Ed. Worndorf, George Lewis, Richard
Cable and William Wilson.
Squire Fitzpatrick fined each of them
\$5 and costs, but as they were short of
the necessary cash, they will spend the
next ten days with Sheriff Richards.
Assisting Officer Short were three con-
stables, and the arrests were made near
Elm Grove, a town which seems in-
fested with train jumpers.

Yates was Arrested.

Upon information furnished from
Jackson county, the Benwood authori-
ties yesterday arrested J. W. Yates, an
employee of the Riverside blast furnace.
Marshall Porterfield received a letter
from Mrs. Yates, in Jackson county,
stating that her husband had abandoned
her family, consisting of herself
and two children, nearly a year ago,
and she supposed him to be living with
another woman. Yates has been liv-
ing in Upper Benwood, and when ar-
rested stated that the woman in his
company was his housekeeper. Yates
is now in the Benwood lockup, and will
have a hearing before Squire Lacey to-
day.

THE Rev. W. H. Weaver, pastor of
the U. B. church, Dillsburg, Pa., re-
cognizes the value of Chamberlain's
Cough Remedy, and does not hesitate
to tell others about it. "I have used
Chamberlain's Cough Remedy," he
says, "and find it an excellent medicine
for colds, coughs and hoarseness." So
does everyone who gives it a trial. Sold
by druggists.

WE learn that a resident of this place,
Mr. Edward Diehl, of 310 Wood street,
has been the recipient of one of the 425
gold watches, out of the 40 gold watches
which are given for Sunlight Soap
sales in each month. We are glad to
be able to chronicle this fact, and hope
the \$100 cash or some of the \$100 Pierce
Special bicycles will come to somebody
here next month.

THE NEW WAY.

A GREAT SUCCESS FOR FITTING ALL
KINDS OF EYES WITH GLASSES.

Our new scientific method of examining
the eyes and fitting glasses without put-
ting drugs in the eyes and making the
patient blind for a week, or having them
sit for hours looking at charts and trying
to fit themselves until they become so be-
wildered they cannot tell what they can
see. We fit the eyes for examination with-
out depending on the patient and know
when they are fitted correctly.
Consultation and examination free.
